Software Engineering

H'amichlala Lhachshara Miktzoit

2021 - current

## LANGUAGES

English Hebrew

## PROFILE

I'm a motivated Software Engineer with a focus on Front-end and Full-stack web development. Reliable, energetic, and hardworking, I am dedicated to continuous learning and improvement. With a great attention to detail, I am always striving to be better every day. I am seeking a Front-end || Full-stack position to leverage my passion for web development and contribute to the success of a dynamic team.

## WORK EXPERIENCE

### • Fullstack Developer

2021-2023 Rami Technologies

As a full-stack developer, collaborating with cross-functional teams and working with React and Node.js, focusing on developing robust applications. Emphasizing efficient front-end and back-end solutions, adhering to best practices and modern technologies, I aimed to ensure seamless functionality and responsive design, ultimately enhancing the user experience.

### • Freelance Web Developer

2021 - current

creating stunning sites with seamless functionality by blending captivating design with robust backend and frontend development.

### • Math & English Teacher

2018 -2021

helping students excel academically and develop a strong foundation in these subjects
